BASIC COURSE:

The system displays the Friends Page to the User which displays the accounts listed in the User Friend List from the User Account. The User clicks the Remove Friend Button on an entry for a User Account. The system displays the Confirmation Prompt to the User, and the User confirms the prompt. The system removes the User Account from the User Friend List. The system refreshes the Friends Page and displays the updated User Friends List.

ALTERNATIVE COURSES:

The User is not logged in: The system redirects the User to the Login Page.

The User declines the Confirmation Prompt: The system returns the User to the Friends Page; no changes are made to the User Friends List.
